

### Features

- Light sewage water pump
- Grinding device to avoid clogging
- Dual mechanical seal
- Thermal protection
- Motor protection IP68
- Insulation class F
- Float switch only for single phase pumps
- Maximum immersion depth 5m

### Performance

- Capacity up to 15 m<sup>3</sup>/h
- Manometric Head up to 29m

### Applications

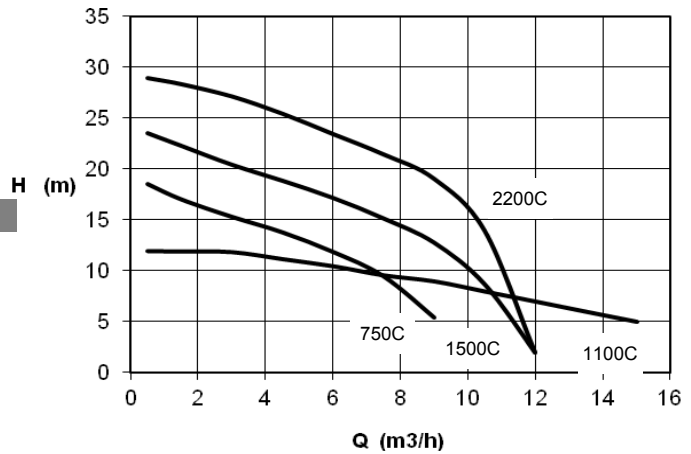

- Pumping of waste water
- Domestic use of sewage water
- Restaurants
- Hotels

### Materials

- Motor casing made of stainl. steel AISI 304
- Shaft made of stainless steel AISI 304
- Impeller made of cast iron
- Pump casing made of cast iron
